MRS. ELLIOTT

Dear Winfield Parents,

My first year at Winfield Elementary School will always be a memorable one for many reasons. However, the one reason closest to my heart will be the students and their families who were, and still are dedicated to an educational climate that provides strong family values. This kind of commitment is rare if not nonexistent in most educational environments today. As parents, you are to be commended. The students and staff are also to be commended for their resilience during a difficult year. Their striving for educational excellence never dissipated throughout the year.

It is with sincere gratitude that I thank the Winfield parents, students, and staff for the 1995-96 school year.

Sincerely,

Mrs. Elliott
